

Your Invitation to the Inaugural Meeting of the

Friends of Werribee Park Community Heritage Orchard

One of Victoria's best kept secret is the existence of an old heritage orchard at the Werribee Park Mansion. The Friends of the Werribee Park Community Heritage Orchard is being established to work in partnership with Parks Victoria to preserve the existing trees and enhance the orchard through propagation of the existing stock as well as adding several additional heritage varieties that complement the historical nature of the orchard.

Activities that the Friends group will be organising in the near future include propagating original stock to enable replanting next year, workshops to enable people to learn about the orchard and the propagation of stock, tours of the orchard and related parts of the estate, and a range of educational and recreational activities.

If you would like to be a part of this exciting project then we would love to see you at the inaugural meeting to be held:

When: 7pm Thursday 27 May

Where: The Pavilion, Werribee Park mansion (enter via Gate 5, K Road, Werribee South) – map attached.

HOPE TO SEE YOU THERE
