

A Beginners Guide to Solar

- *Wondering if solar power or solar hot water is suitable for you?*
- *Want to know more about how the systems work?*
- *Confused about system types and quality, government rebates, guarantees and warranties, system costs and efficiency?*

Come along to an information night and let these industry experts answer all your questions:

Dieter Liebrich, Principal of Soletrics, is a qualified electrician and has installed over 500 solar panels

Rob McQueeney, Director of Living Solar Pty Ltd, has over 20 years experience in the plumbing industry, including the last six years specialising in solar hot water
